

17.151 **DEFINITIONS.** The following definitions are used in this Article:

(a) Mobile Home Communities (Parks). Mobile home communities/parks are distinguished from subdivisions lacking common facilities and continuing management services. The latter would be controlled by general subdivision regulations, which would apply also to mobile home subdivisions without common open space or continuing management.

(b) Mobile Home Subdivision. A parcel of land platted for subdivision according to all requirements of the comprehensive plan, designed or intended for lots to be conveyed by deed to individual owners for residential occupancy primarily by mobile homes.

(c) Residential Mobile Home. A single-family dwelling built within twenty (20) years of the date on which the mobile home is relocated to the Mobile Home Park, in accordance with the ANSI Code (American National Standards Institute) or in accordance with the HUD Code (Housing & Urban Development), both of which govern the heating and cooling systems, electrical systems, fire safety, body and -frame construction, thermal protections and plumbing systems. All said homes shall bear the proper approved Wisconsin insignia as required by the Wisconsin Administrative Code, ILHR 20.12-20.17 or its successor statute.

"Mobile home" also means a dwelling which is, or was as originally constructed, designed to be transported by any motor vehicle upon a public highway and designed, equipped and used primarily for sleeping eating and living quarters, or is intended to be so used; and includes any additions, attachments, annexes, foundations and appurtenances, except that a mobile home is not deemed a mobile home if the assessable value of such additions, attachments, annexes, foundations and appurtenances equals or exceed fifty percent (50%) of the assessable value of the mobile home. The term "mobile home" shall not include

a. factory-built structure meeting the following requirements:

(1) Intended to be set on a foundation by virtue of its construction.

(2) Which is normally transported only once, from the factory to the construction site.

(3) Which, from its very beginning, is. designed to be permanently affixed to land.

(d) Foundation Siding. A fire and weather resistant, pre-finished material surrounding the entire perimeter of a home and completely enclosed a space between the exterior wall of such home and the ground. Foundation siding shall be properly vented, harmonious, and compatible with the house and installed within sixty (60) days from *the* date of placement on site.

(e) Primary Exposure. Open areas adjacent to the front wall (or main entrance) of

a dwelling unit.

(f) Secondary Exposure. Open areas adjacent to side and rear walls of a dwelling unit.

(g) Statutory Definitions. In addition to the above definitions, definitions contained in Section 66.058 of the Wisconsin Statutes shall also be applicable.
