

**VILLAGE OF BIRON PUBLIC HEARING
MINUTES – JULY 9, 2018**

The public hearing was called to order at 6:00 p.m. by President Jon Evenson at the Biron Municipal Center. The meeting was properly published and posted according to Wisconsin State Statutes.

Present: Jon Evenson, Mark Honkomp, Bob Walker, Tammy Steward, Dan Muleski, June Siegler and Sue Carlson. Also present: Adam DeKleyn, County Planner, Wood County Department of Planning and Zoning; 7 citizens

Purpose for Public Hearing: The primary reason for the boundary amendment is to add a half mile of Huffman Road right-of-way to the Sewer Service Area (SSA) so sanitary sewer can be extended from the Biron Business Park north to the proposed Bridgewater Development and neighboring areas. The proposed boundary amendment would add 8.58 acres to the SSA and remove an area of equal size.

Adam DeKleyn, County Planner, reviewed the background of the amendment request.

An engineer from the City of Wisconsin Rapids reviewed the amendment and had no concerns. The amendment was submitted June 6 to the DNR for final approval. The Village has the needed sewer line and treatment plant capacity and water supply facilities. The plan is compliant with the Village's Comprehensive Plan. There are no major concerns with the physical environment. It is recommended public utilities be installed and used to protect the environment. The amendment conforms with the adopted SSA plan goals and objectives and amendment standards.

The Village of Biron Board of Trustees recommends forwarding the proposed boundary amendment to the Wood County Board for their approval.

No one spoke against the amendment.

Motion Muleski, second Honkomp to close the public hearing at 6:30 p.m.

Respectfully Submitted,

Anne Arndt, Clerk

Approved by Biron Board of Trustees
